

In addition to Indiana and Michigan facilities, CHA has facility contracts with the following Centers for Excellence. Due to the large volume of providers at these facilities, CHA does not list these providers individually within this directory.

You can view the list of individual providers linked to the facility by accessing their respective website page.

Cleveland Clinic

<http://www.clevelandclinic.org>

La Rabida Children's Hospital

<http://www.larabida.org>

University of Chicago Hospital & Physicians

<http://www.uchospitals.edu>

CHA relies on these centers to keep their website updated and is not responsible for any claims processed as out of network due to providers leaving these organizations or inaccuracy of their information.
